

LEGO Technic set 10251 'Crate' is a small, detailed model of a wooden crate. It is constructed from blue and purple Technic bricks and beams. The crate is filled with various food items, including apples, oranges, and a bottle of wine. The set is shown in its original packaging, which features a clear plastic window and a blue and purple design. The packaging also includes the LEGO logo and the set number 10251.

This image displays a variety of LEGO Mission Space components. At the top, there are four instruction cards: two showing an astronaut in a blue suit with a red arrow, and two showing the 'MISSION SPACE' logo. Below these are three more cards: 'MISSION', 'START', and a '+1 UP' card. A small black card with 'S/N 2026 11374' is also visible. In the center, there are four more instruction cards: two showing an astronaut in a blue suit with a red arrow, and two showing a rocket launching from a yellow base. Below these are two minifigures: a small one in a blue suit and a larger one in a blue suit with a red arrow. To the right of the minifigures is a black score display showing 'SCORE 11374'. At the bottom, there are two long, teal-colored LEGO Technic beams.
